# GOVT. KAMLA RAJA GIRLS PG, COLLEGE, GWALIOR

(Affiliated to Jiwaji University, Gwalior NAAC – 'A' Grade Accredited institute)

## BASIC SCIENTIFIC INSTRUMENT HANDLING AND MAINTENANCE

Short Term Certificate Course (30 Hours)  
Organized by: Department of Chemistry, KRG College Gwalior  
Session: (2025-26)

### COURSE HIGHLIGHT

1. This Course is framed to provide its participants with basic knowledge of scientific instruments.
2. Basic Knowledge of Scientific instrument handling and maintenance.

### MODULE OVERVIEW

Module 1: Need of calibration.

Module 2: Proper Handling of scientific instrument.

Module 3: Maintenance of scientific instruments.

Module 4: Basic knowledge of scientific instruments used in laboratories of physical science and their handling.

### OUTCOMES

- 1: To understand basic scientific instruments handling and maintenance.
- 2: To Get expertise in getting precise results.
- 3: To become more friendly with the instruments generally used in laboratories of physical science.

Venue – Department of Chemistry, KRG College, Gwalior (M.P.)  
Contact – Email: chemistrykrg76@gmail.com, Mobile No: 9713830058
