Workshop / Idea Exchange

"ENTREPRENEURSHIP AND CAREER BUILDING IN THE GLOBAL CORPORATE SECTOR"

We shall provide a space where students develop their imagination, experiment with respect to the contemporary globalized economy, entrepreneurship, and corporate careers, and learn to express themselves through communication.

The workshop/programme aims to:

- Develop entrepreneurial thinking and problem-solving abilities among students.
- Provide exposure to global corporate trends, work culture, and career pathways.
- Bridge the gap between academic learning and industry expectations.
- Encourage innovation, start-up culture, and self-employment opportunities.
- Facilitate interaction between students, faculty, and corporate/industry experts.
- Promote idea exchange and collaborative learning between KRG College and ITM.
